

TCE Third Annual

Battle of the Books!

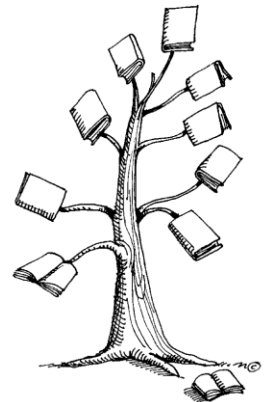

We are thrilled to begin preparing for the Third Annual Battle of the Books that will be held on February 15 (5th grade) and March 7 (4th grade).

Please read through the following requirements and discuss with your parents. In order to officially participate we must have a signed slip. We will then put students into permanent teams. This is a great opportunity for students to learn responsibility and team work given that teammates depend on each other to read the books and prepare for the battle. This competition is so much fun to prepare for and be a part of in February/March! Please check our website for additional information:
